APPEAL FOR SAMARITANS VOLUNTEERS

Whilst approaching you with the enclosed letter for financial support we are taking the opportunity to ask if any of your members or their acquaintances would be prepared to volunteer their services to our cause.

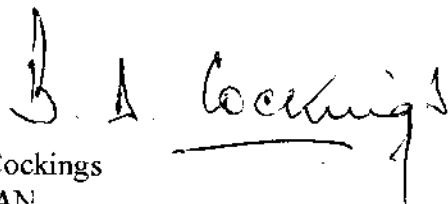

If you have the facility to promulgate this letter it would be very much appreciated.

No experience of voluntary work is necessary as full training would be provided. Our centre is in Haverfordwest and, ideally, volunteers would need their own transport and be able to give a few hours of their time. The Samaritans operate a rota system of duty to cover certain days, evenings and nights for the periods that the Haverfordwest Branch is open.

This voluntary work would ideally suite a retired person with time on their hands. We are a very friendly and sociable Branch and would welcome new volunteers to boost our ranks.

If anyone is interest please would they contact the writer on 01437 710883.

Sincerely,

Brian D. Cockings
CHAIRMAN
