11. Parc Sglefrio / Skate Park

11.1. Skate Park lease – Cllr. Griffiths has sent an email regarding the lease. Do the trustees wish to accede to the request from the skate park group to grant them a lease. The Clerk advised that she thought the trustees had previously agreed to grant them a lease. Cllr. Harries read out Cllr. Griffiths email: *The Trustees need to decide in principle whether to accede to the request for a lease of the skatepark. My personal view is that the Trustees should agree.*

If the Trustees do agree then perhaps the Tennis Club Agreement could be used as a starting point. Possibly a copy could be emailed to the skate park group for their consideration and comments. Obviously in due course the agreement would have to be amended to reflect a skateboard park rather than tennis courts.....but at least we have something to work on. Alternatively, the Trustees could offer a really detailed lease such as that for the library. I think that we should see whether a Tennis Club type agreement is acceptable in the first instance.

It is harder for the skate group to access grants without a lease in place. They would need to have their own insurance in place.

Cllr. Bayes raised concerns that the land is not big enough for what the skate park group wish to have and that they may need planning permission. Is there other land available?

Cllr. McGarry to put this item on the Community and asset group agenda.

Cllr. Harries proposed that the trustees agree in principle to provide a lease and to send them a copy of the Tennis Club lease as a starting point for a discussion, Cllr. Lewis seconded, all agreed.

The annual inspection report has been received and circulated to all trustees. There is 1 medium risk reported.
